Answer

THE MINISTER OF STATE IN THE MINISTRY OFHUMAN RESOURCE DEVELOPMENT (SMT. SUMITRA MAHAJAN)

(a) State-wise list of Navodaya Vidyalayas sanctioned is enclosed vide Annexure-I.

(b) & (c) 152 Vidyalayas are running without Principals. As per the Recruitment Rules 25% of posts of Principals are earmarked for the promotion quota. Since sufficient number of Vice-Principals have not completed minimum required years of service for promotion as Principals, these Schools are running without Principals. However, Vice-Principals are functioning as Incharge-Principals for these Schools. Further there is no mass exodus of teachers during the last three years. The number of teachers who left the Institution represent less than 2% of teachers in position and most of them have resigned either because of selection some where else or due to some personal reasons. The number of teachers who have resigned during the last three years are given as under:

YEAR	NO.OF TEACHERS RESIGNED
1997-98	166
1998-99	149
1999-2000	139

(d) The statement showing the details of number of posts of Principal and Teachers lying vacant is enclosed vide Annexure-II.

(e) The following steps have been taken by Navodaya Vidyalaya Samiti to make the services of Principal/Teachers more attractive to stop the exodus:

(i) Periodical recruitment drives are being undertaken for filling-up the vacancies of Principals and Teachers.

(ii) Regular annual promotions drive are conducted and D.P.C. held to promote the suitable candidates against the vacancies.

(iii) Rent free accommodation and boarding facilities are provided as per the eligibility.

(iv) Incentive awards are instituted which include cash awards, citation, sanction of additional increments etc.,

(v) Opportunities are provided for the Principal and Teachers for further improvement of their professional skill through training and other avenues of improvement of their educational qualifications.
